

A man with long, wavy blonde hair is climbing a stone wall. He is wearing a green long-sleeved shirt, brown pants, and red climbing shoes. A white bag is attached to his waist. The background is a blurred landscape of green hills and a valley. In the bottom left corner, there is a dark green rounded rectangle containing the text "faith is...".

Activating the  
Promises of God

# What is faith?

Faith (*'Pistis'*) means  
'a firm persuasion'  
to a conviction.

Faith is knowing  
God exists and  
He is faithful in  
backing up what  
He says!

Faith is the *'link'*  
that joins us to our  
Eternal Creator  
and His promises  
for us.

The ability to have  
faith is a gift from  
God.

God has placed  
within us the  
ability and capacity  
to believe.

**Romans 12:3 (tlb)**

*As God's messenger, I give each of you this warning. Be honest in your estimate of yourselves, measuring your value by how much faith God has given you.*

**12:3b (ncv)**

*.... Use good sense and  
measure yourself by the  
amount of faith that God  
has given you.*

God has planted  
a seed within those  
who have received  
Christ as their  
Saviour.

**1Peter 1:23 (nkj)**

*...having been born again,  
not of corruptible seed but  
incorruptible, through the  
word of God which lives  
and abides forever.*

It is our individual responsibility to grow this seed to a fruit bearing state.

**But how?**

By releasing our faith  
as the trigger to  
activate the promises  
of God from His Word  
– the Bible!
