

**BELIEVE**

John 6:60-69

The Christian life is a life  
following Jesus.

As we follow Jesus and His ways, we  
come to a place of believing IN Jesus.

# John 1:17-18

John believed that Jesus came to clarify who God was, so that God may be known.

# Jesus came to change the spiritual paradigm of:

- How to relate to God
- How to think about God
- How to approach God

Following Jesus was a prerequisite to believing in WHO Jesus claimed to be - the Chosen One sent by God - to reveal Himself to His people.

**John 6:60-69**

*...Lord, to whom shall we go?*

**Believing IN Jesus is the key to a  
right standing with God.**

**Romans 3:21-26**

The goal is to be so convinced of **WHO**  
Jesus is and so grateful for **WHAT**  
Jesus has done and so we will willingly  
choose to **DO** what Jesus says!

This is the **OUTCOME**, not a means to  
. . . *A right standing with God.*

# Big Idea

A right standing with God is available from God through Jesus to **ALL** who **BELIEVE** in Him!

**Can you say today that you are  
in right standing with God?**
