

Hi Church

I hope you had a great Sunday and were able to access Church@Home easily. If you are having trouble getting access to the weekly videos, please contact me or Ruby so we can help you out.

Church@Home:

We are pre-recording Church@Home as this ensures that nearly everyone in our church can view the video. For those who cannot stream the video from our website, it is also available on our church app.

Just click the CAH button at the bottom of the screen.

We are also making Church@Home available on DVD for those who have no internet. If you would like the DVD, please let me or Ruby know so we can arrange to have this sent out to you.

On the Couch:

At the beginning of each Church@Home we have a segment which we call "On the Couch". Every week we will see different people 'on the couch' bringing brief announcements, sharing something great God has done for them and as well—we will pray together. Also including in this segment is the opportunity for to share communion together.

This week:

On the couch this week will be me and Nat.
Church@Home message will be from Scotty Fuller.

Next Week:

Next week is Easter week and on Good Friday which is the 10 April, I am sharing a short devotional and we will have communion together. For communion you can use anything you have in your home such as bread or cracker and any juice or water that you have in your fridge.

On Easter Sunday, 12 April, Pastor Steve from Bannockburn will be sharing the message which will be followed by me doing communion.

It's not going to be the same as meeting together, but we will do our best to make Easter meaningful as we remember and celebrate all Jesus has done for us.

Online Giving:

As we are unable to meet together, our giving needs to be through electronic ways either a bank transfer/direct debit or using the church app or website. We also accept cheques payable to "Waurn Ponds Community Church Inc". Cheques can be posted to PO Box 285, Belmont, VIC, 3216.

If you are struggling to use the methods mentioned, please contact me or Ruby and we can discuss a way for you to give easily.

I have been praying for our church and everyone in it everyday. If you have any prayer needs please send me or Ruby an email or you can use the prayer wall on the church app. Even though we cannot meet, we can still be praying together.

Have a great week and bless you!

Dave
